ROPELLA INDUSTRY EXPERTISE

As with the wider personal care industry, waxes are constantly adapting to rising trends and new demands from consumers who expect product innovation from lipstick, hair remover, mascara, and hair gel. There is increasing demand for more "green" products, multi-functional products that add diversity and value, and products that do double-duty of saving consumers' time and lasting longer (in product shelf life as well as single application life span).

Ropella's mission is to build lasting relationships between High Potential A-Player Talent, Backable CEO's, Board Members, SME's and Transformational Leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders - because we all know - **the Team with the Best Talent Wins** Especially so, in fast growing organizations.
